# Be seen.

## Affordable TV advertising from PVT

### What We Can Do

PVT offers low-cost, high visibility advertising that produces results. Attract consumers and potential employees in your local area with a cost-effective, professional ad on PVT Cable. Thousands will see your ads because PVT Cable is always on at local restaurants, bars, hotels, office waiting rooms, hospitals, FLETC, homes, businesses, and so many more places.

### Advertising on PVT Cable TV will help you:

- Attract new customers and generate repeat business
- Spend wisely with small investment
- Gain visibility on 24 Major Networks
- Establish and maintain your distinct identity
- Encourage existing customers to buy more of your product/services
- Promote your business to local customers, investors, and potential employees

### Channel 16

If you are looking to get your message out to the entire community in a cost-effective way, then look no further than PVT's Community Channel 16. Your message will appear in front of thousands of people daily for however long you choose to have your message going.

### Be seen on these leading national networks:

|                                |                 |
|--------------------------------|-----------------|
| A&E                            | Galavision      |
| CMT                            | HGTV            |
| CNBC                           | Lifetime        |
